

Dubidot and Archiware Integration

Unlock the Power of Archiving

Maximize the efficiency and security of your archiving processes with the seamless integration of Dubidot and Archiware. Our powerful integration allows you to effortlessly store and retrieve your media assets, ensuring long-term preservation and easy access. Say goodbye to complex archiving workflows and experience the simplicity and reliability of Archiware integration with Dubidot.

The Focus.

Dubidot MAM/DAM System:

The Dubidot MAM/DAM system is a powerful solution for managing and organizing your media assets. It provides a comprehensive platform to efficiently archive, search, and retrieve your files. With Dubidot, you can optimize the use of your media resources and manage the entire lifecycle of your content.

Archiware Integration:

Dubidot offers seamless integration with Archiware, a leading provider of archiving solutions. Through this integration, you can effectively store and easily retrieve your media assets as needed. Archiware allows you to store your content on LTO tapes for secure long-term archiving.

Archiving:

With the Dubidot and Archiware integration, archiving your media assets becomes effortless. You can archive your files directly from the Dubidot MAM/DAM system without relying on complex external processes. The intuitive user interface of Dubidot enables you to effortlessly select your content and transfer it to the archive.

Quick Retrieval from the Archive:

Retrieving your archived content has never been easier. With Dubidot and Archiware, you can restore your files in no time. Dubidot's powerful search function allows you to quickly locate specific media assets and retrieve them from the archive. You save valuable time and seamlessly continue working with your restored files.

Long-Term Archiving on LTO Tapes:

Thanks to the integration of Archiware with Dubidot, you can archive your media assets securely and for the long term on LTO tapes. LTO tapes offer a reliable and cost-effective solution for long-term archiving. You can store your valuable content on these tapes and ensure its preservation over extended periods.

Optimize Your Archiving Processes:

With Dubidot MAM/DAM and Archiware integration, you can streamline your archiving processes. You gain a seamless and efficient solution for archiving, searching, and retrieving your media assets. The user-friendly interface and powerful features of Dubidot and Archiware make managing your media resources a breeze.
